CURRICULUM VITAE

Faldi Lluri

DATA SCIENTIST

Durrës, Albania · +355 67 666 4019 · faldilluri1@gmail.com · linkedin.com/in/faldi-lluri-datascientist · github.com/faldilluri

EXPERIENCE

Team Organizer
AI Collective · Tirana · 2026 - Present

› Run the local chapter of a global AI community - organizing meetups, lining up speakers, and getting people building together.

Full-Stack Developer & Researcher
QuantaCore · Tirana · 2025 - Present

› Project owner and full-stack developer of several web platforms, from simple company pages to more sophisticated web apps.

› Build the front end in React and Vite, the back end in Python/Django with PostgreSQL, and fold in AI for task automation.

Data Scientist
CardoAI · Tirana · 2023 - Present

› Fine-tune large language models with Hugging Face and Amazon Bedrock, and develop MCP tools that extend Claude with custom capabilities.

› Run training and benchmarking on Kubernetes (Kubeflow, Argo), with S3 storage and MLflow tracking, over data I clean and preprocess myself.

Web Developer
Tr3bit · Durrës · 2023

› Built and maintained business websites on WordPress, handling performance, security through Cloudflare, and hosting.

Programming Mentor
Epoka University · Tirana · 2023

› Taught first-year students the basics of C - loops, pointers, functions - mostly through worked exercises.

Machine Learning Intern
DataMax · Tirana · 2022

› Built ML models in Python and Jupyter, containerized them with Docker, and tested the surrounding APIs in Postman.

EDUCATION

Quantum Technology & Information *Aleksandër*
Moisiu University · Durrës · 2024 - 2026
GPA 9.3 / 10.0

BSc, Software Engineering
Epoka University · Tirana · 2020 - 2023 GPA 3.77 / 4.0

SKILLS

ML & AI

Python · PyTorch · scikit-learn · pandas · spaCy · NLTK · Hugging Face · Amazon Bedrock · Gradio

AI Tooling

Claude (Code & Desktop) · Claude Skills · Prompt Engineering & Design

MLOps & Cloud

Kubeflow · Argo · MLflow · Docker · FastAPI · AWS S3 · Git

Web & Data

HTML/CSS/JS · Vue.js · PHP · WordPress · Shopify · SQL · Figma

LANGUAGES

English - C1 · Albanian - Native

CERTIFICATES

Supervised ML & Advanced Learning Algorithms (DeepLearning.AI) · ML Engineering internship (DataMax) · Front-end program (ArkIT)

INTERESTS

Football & futsal · Volleyball · Gym · Drawing
